

About Dalton

Posted on July 18, 2019 by [admin](#)

Dalton, you need to add yourself as another user under your own name. There are lessons on this but get back to me if you have trouble.

First and foremost thanks for taking the time to visit my site., I believe ~~believe~~ **hopefully** you will find something **both** helpful and interesting at passivesavings.siterubix.com. ~~at the very least~~

My Story

Online businesses have always fascinated me. **It's** not just the amount of money that can potentially be made. **In truth, it's just** the whole process of it, from getting the idea to making it a reality. I always had the same thought that I think a lot of people have, "Oh they just got lucky" or "Man they had a really good idea". It actually isn't as hard as it seems, which is what I aim to show you **on my website here on this site**. Now that **is** not to say ~~your you won't need time~~ and effort because **it you** definitely will. ~~but~~ **If you have** the motivation and dedication **are there**, you can **succeed do it** too. Now I can't show you how to get Mark Zuckerberg or Jeff Bezos rich but I can show you how to supplement your income and make some money on the side fairly easily.

Why I Want To Help People

I chose to do this to show people that it can be easy and honestly **ly** fun to make some money on the side. I know all **too** well the struggles of not being able to have a savings or money to rely on in case of emergency. **I have lived living-pay check to pay check**. If I can help relieve the stress of **financially worried people** out there ~~about their financial situation~~, then **that's** what **I'm** going to do.

My Goal

Now I know what you're thinking, "This is a scam", "How much does it cost", "How much time is this going to take" **and so on**. I had those exact same thoughts when starting on **my this** journey. ~~and that's~~ **This is** why I'm here, to help you start your own journey. ~~and To~~ see that there are people who genuinely ~~just~~ want to help.

If you ever need a hand or have any questions, feel free to leave them below. **And Or leave them as comments on my other pages and also my** posts. **And** I will be more than happy to help you out.

All the best,

Dalton
